

# Eyesight To the Blind

Mose Allison

You talkin' about your woman,  
I wish you could see mine  
You talkin' about your woman,  
I wish you could see mine  
Every time she starts to lovin'  
She bring eye sight to the bloom You know her daddy got some money  
I can tell by the way she walk  
You know her daddy got some money  
I can tell by the way she walk  
Every time she start to shakin'  
Deaf and dumb begin to talk Well early one morning she was lyin' on the bed  
Mel next door was dyin' and raised up his head  
And said, "Ain't she pretty?  
Uh don't you know she fine?"  
One look at that woman  
Bring eye sight to the blind I declare she pretty  
And the whole state know she fine  
I declare she pretty  
And the whole state know she fine  
Every time she start lovin'  
She bring eye sight to the blind
