

Secrets

OneRepublic

I need another story
Something to get off my chest
My life gets kinda boring
Need something that I can confess 'Til all my sleeves are stained red
From all the truth that I've said
Come by it honestly I swear
Thought you saw me wink, no
I've been on the brink, so Tell me what you want to hear
Something that'll light those ears
I'm sick of all the insincere
So I'm gonna give all my secrets away This time
Don't need another perfect lie
Don't care if critics ever jump in line
I'm gonna give all my secrets away My God
Amazing that we got this far
It's like we're chasing all those stars
Who's driving shiny big black cars And everyday I see the news, all the problems that we could solve
And when a situation rises, just write it into an album
Seen it straight to go
I don't really like my flow, no, so Tell me what you want to hear
Something that'll light those ears
I'm sick of all the insincere
So I'm gonna give all my secrets away This time
Don't need another perfect lie
Don't care if critics ever jump in line
I'm gonna give all my secrets away Oh, got no reason, got no shame
Got no family I can blame
Just don't let me disappear
I'mma tell you everything So tell me what you want to hear
Something that'll light those ears
I'm sick of all the insincere
So I'm gonna give all my secrets away This time
Don't need another perfect lie
Don't care if critics ever jump in line
I'm gonna give all my secrets away So tell me what you want to hear
Something that will light those ears
I'm sick of all the insincere
So I'm gonna give all my secrets away This time
Don't need another perfect lie

Don't care if critics ever jump in line
I'm gonna give all my secrets away All my secrets away
All my secrets away
