

Bend Ova (ft. Tyga)

Lil Jon

Bend ova, make your knees touch your elbows
Bend ova, make your knees touch your elbows
Bend ova, make your knees touch your elbows How fast can you shake it?
Put it on a nigga 'til his ass can't take it
How fast can you shake it?
Put it on a nigga 'til his ass can't take it
How fast can you shake it?
Put it on a nigga 'til his ass can't take it
Bend ova, make your knees touch your elbows Stop playing girl, shake that shit
Stop playing girl, shake that shit Wiggle that ass make it shake like Jello-o
Wiggle that ass make it shake like Jello-o
Wiggle that ass make it shake like Jello-o
Wiggle that ass make it shake like Jello-o Wiggle that wiggle that, wiggle that wiggle that
Wiggle that wiggle that, wiggle that wiggle that
Wiggle that ass make it shake like Jello-o Bend ova, make your knees touch your elbows

Take shots, I don't miss, get faded up in it
A million, get illin' richest nigga in the building
Fuck it, I'mma buy the whole building

Hundred business, hundred business back in it
She the business, baby put your back in it Bend ova, make your knees touch your elbows

Bend ova, make your knees touch your elbows Bend, throw your knees, bounce that ass like a yoga ball
Bend, throw your knees, bounce that ass like a yoga ball
Bend, throw your knees, bounce that ass like a yoga ball
Bend, throw your knees, bounce that ass like a yoga ball
Bend, throw your knees, bounce that ass like a yoga ball
Bend, throw your knees, bounce that ass like a yoga ball
Bend, throw your knees, bounce that ass like a yoga ball
