Girlicious

Chorus

In the next three minutes if I don't get a drink

You ain't seein pink, you ain't seein pink

In the next two minutes if I don't get a sip

You ain't get shit, you ain't get shit

In the next minute if I don't get a shot

We ain't gettin hot, we ain't gettin hot

In the next five seconds if I don't get a glass

You ain't gettin' ass, boy don't even ask Verse 1

I see these boys they always think

If I can hit it I'd be dopiest

I look like sex with no regret

So Mr. Arie go get me something You won't get a chance 'less you spend it

Tell the bartender have them sent it Lah, Lah, Lah, Lah

I'm still here waiting

Blah, Blah, Blah, Blah

You just keep stuttering Chorus

In the next three minutes if I don't get a drink

You ain't seein pink, you ain't seein pink

In the next two minutes if I don't get a sip

You ain't get shit, you ain't get shit

In the next minute if I don't get a shot

We ain't gettin hot, we ain't gettin hot

In the next five seconds if I don't get a glass

You ain't gettin' ass, boy don't even ask Verse 2

Like oh my gosh, I think he looks lost

You play that cost or I ain't going near that box (Not in the box)

Until the taxi, until I'm tipsy

If you can't please me

Then I'll be saying next, peace Jump on it, time is ticking

If it don't come quick, I'll be bouncing Lah, Lah, Lah, Lah

I'm still here waiting

Blah, Blah, Blah, Blah

In the next three minutes if I don't get a drink
