

7th Heaven

[Sarah Brightman](#)

(Verse)

There's a place filled with joy
Out into the fire of distance
Where the wonders of the heart are found
Beyond the sun, beyond the moon
I'm beyond the solar systems
On a journey to the first light of now(Pre-Chorus)

Far through the light
You will find there is time
To shine forever
Fly through the sky
Where the eye of the sea is
This part of me(Chorus)
Far through the light
Is a part of you tonight
Up in the sky

There's a part of me(Bridge)
To be ever cross to you
Light puts me close to you(Verse)

There's a world full of life
It could be reached by sailing
With the wind of time the nice things fall
There's a place in my heart
Spinning from a distant travel
We are moving, we are walking in time(Pre-Chorus)

Far through the light
You will find there is time
To shine forever(Chorus x2)
Far through the light
Is a part of you tonight
Up in the sky
There's a part of meThere's a part of me
