See Me

Courtney Jones

Familiar
It's all so familiar here
Unchanging
You are so unchanging, dearAnd I'm waiting on an answer
That I know may never be
And I know at least right now
You don't see meSee me... yeah, yeah
See me
See me... yeah, yeah
See me
Ohhhhh please
Of all the things you see
See meI won't
No, I won't
I can't give up now
I will...
I will get through to you somehowAnd I'm waiting on an answer
That I know may never be
And I know at least right now
You don't see meSee me... yeah, yeah
See me
See me... yeah, yeah
See me
Ohhhhh please
Of all the things you seeSomeone has taken your heart and attention
So what can I do except wait for you toSee me... yeah, yeah
See me
See me... yeah, yeah
See me
Ohhhhh please
Of all the things you seeOne look could set me free
Of all the things you see
See me
