Don't Look Any Further (Single Version)

Dennis Edwards

Whoa, oh, well, well, well
Well, well, oh, hmmSomeone to count on in a world of change
Here I am, stop where you're standin'
What you need is a lover, a man to take over
Oh girl, don't look any furtherStrange, when you think of the chances
That we'd both be in a state of mind
Too cool to be careless, lookin' for the right thing
Oh baby, don't look any furtherTonight, tonight, we're gonna taste a little, paradise
Rock you all night long, baby all night long
Daylight, daylight
I'll still be lookin' in your ebony eyes
And we'll go on and on, and on
Day-o day-o, mombajee ai-o, well
Don't look any further
Day-o day-o, mombajee ai-o, well
Don't look any furtherSomeone to count on in a world of changin'
Here I am, stop where you're standin'
What you need is a lover, you need a lover
To love you all over, love me all overOh baby, don't you look any further, further
Don't look any further, don't look any furtherTonight, tonight, we're gonna taste a little, paradise
Rock you all night long, rock you all night long
Daylight, daylight
I'll still be lookin' in your ebony eyes
And we'll go on and on, and on
Day-o day-o, mombajee ai-o, say it
Don't look any further
Day-o day-o, mombajee ai-o, well
Don't look any further, don't you ever lookDay-o day-o, mombajee ai-o
Don't look any further, further
Day-o day-o, mombajee ai-o
Don't look any further, furtherDay-o day-o, mombajee ai-o
Don't look any further
