

# 4 Kicks

## Kings of Leon

Huffman don't take no nonsense  
He's here to rectify  
He's got his black belt buckle  
And the red man's fire in his eye You with your switchblade posse  
I'll get my guns from the south  
We'll take to the yard like a cock fight  
Four kicks who's strutting now? This party is overrated  
But there ain't shit else to do  
She's a lovin' on a boy from the city  
I'll be lovin' him under my shoe You with your switchblade posse  
I'll get my guns from the south  
We'll take to the yard like a cock fight  
Four kicks who's strutting now?
