

# Africa

## Zebra Crossing

Africa is my descent  
And here I am far from home  
I dwell within a land that is meant  
For many men not my tone, yeah  
The blood of God is my defense  
Let it drop down to my seed  
Showers to your innocence  
To protect you for all eternity  
And with this wood I beat this drum  
And we won't see defeat  
From kings to queens  
Becomes a prince  
Knowledge and wisdom  
Is understanding what we need  
(And this day will come)  
Ever since the day you came  
My whole world began to change  
I knew then to dedicate my life  
For your own  
(And this day will come)  
Everyday I see you grow  
And remember what you already know  
I receive, I receive the love  
That radiates from your glow  
From which you came was love  
And that's how it all should be  
You and my soul are I  
Through all the time and history, yeah  
(And past)  
Thank you, thank you
