

# Deathamphetamine

## Exodus

Life spent with lips on glass  
Another hit, just one more blast  
How long can you make it last?  
Hit the pipe and vaporizeFeel the rush, so energized  
Your lungs begin to crystallize  
Try to stem the tide  
From another five day rideDon't you know, you're dead inside?  
The world spins out of control  
All amped up, nowhere to go  
A glass house is all you knowPoison cloud hangs in the air  
Breathe it deep, your only care  
It's a nightmare, not a dream  
Deathamphetamine?Spun and sleep deprived  
The calendar burns before your eyes  
Another hit, for now revived  
So many sleepless nightsOnly wet your appetite  
Strike a match, the torch ignites  
See the shards start cracking back  
Watch them turn your world to blackWhile waiting for the heart attack  
All your dreams are dead and gone  
I tell you now, it won't be long  
Before death ends the marathonPoison cloud hangs in the air  
Breathe it deep, your only care  
It's a nightmare, not a dream  
Deathamphetamine?Withered and sucked up  
You're wasting away  
Eyes sunken deep in your skull  
You care not about yourselfNor any other  
Only if the pipe is full  
Lick your lips  
As you hover around the glassAnxiously awaiting your turn  
Depressed and paranoid  
It's all gone to hell  
Inhale as your world burnsLost everything you own  
Now waiting by the telephone  
For the dope man to come home  
All your friends and familyAge sickened by your need for speed  
Only driven to exceed  
So many years, so little time

For you to halt your lifes decline  
Youve got to read the signs  
Everything has come unwound  
Youve got to turn this shit around  
Before you're six feet underground  
Poison cloud hangs in the air  
Breathe it deep, your only care  
It's a nightmare, not a dream  
Deathamphetamine?
