

# Song 4 Mutya (Out of Control) [feat. Mutya Buena]

## Groove Armada

(Out of control) You're gone now, I feel fine  
17 months, yeah I feel fine  
What about you? I betcha been cryin'  
I bet ya been goin' around town lyin' I'm drivin' fast, I feel so fine  
I got Prince singin' Hot Thing to me  
I know every line  
So I pulled up to the red light  
Sittin' here in my car  
I looked up to my right, and there you are  
Sat there with some new girl, what is this?  
(Don't panic, panic, Mutya don't drive erratic)  
That's who has replaced me, what a diss  
(Don't panic, panic, don't act too manic, manic) It's a sure fine way to ruin my day  
Just as soon as I'm on top of my life, there you are again  
But don't react now, you can't go back now  
Don't panic, panic, Mutya, just look ahead now Let's cut to it, my girl for lunch  
I was feelin' on top of the world  
And I just got a hunch That you were sat behind my back  
Didn't need to turn 'round  
I felt sick at the thought  
You're laughing loud Sat there with some new girl, what is this?  
(Don't panic, panic, Mutya don't drive erratic)  
That's who has replaced me, what a diss  
(Don't panic, panic, don't act too manic, manic) It's a sure fine way to ruin my day  
Just as soon as I'm on top of my life, there you are again  
But don't react now, you can't go back now  
Don't panic, panic, Mutya, just look ahead now (Out of control) It's a sure fine way to ruin my day  
Just as soon as I'm on top of my life, there you are again  
But don't react now, you can't go back now  
Don't panic, panic, Mutya, just look ahead now
