Oceans

New Navy

The whole damn sea could never hold you and me
The whole damn sea could never hold you and me
The whole damn sea could never hold you and me
The whole damn sea could never hold you and me
The whole damn sea could never hold you and me
The whole damn sea could never hold you and meDon't go far into the forest
You might get swallowed by the leaves
Start, let our hearts race for hours
Between the devil and the deep blue seaThe ship has sailed, oh the ship has sailed
The ship has sailed, oh the ship has sailed
The ship has sailed, oh the ship has sailed
The ship has sailed, oh the ship has sailedDon't go far into the forest
You might get swallowed by the leaves
Start, let our hearts race for hours
Between the devil and the deep blue sea
