When You Said Goodbye

Julie Anne San Jose

Oh I know
I watched you walk away
Everything we had
Was dead and gone
I?ve waited for so long
You know you?re the only one I wanted
It?s too late and I was wrong instead
I want to be back in your arms
I?ll walk a thousand miles
Just to be right there
By your side for you I?ll fight and
Catch a falling star
Wishin? I?m the only one for you and you for me
Then suddenly it all just disappeared
When you said goodbye
My heart goes with you all along
Now I?m asking myself
Why did I let you go
All our dreams are shattered
Like a broken glass I see the skies are blue
You promised me you?ll never leave me here

I want to be back in your arms
I?ll walk a thousand miles
Just to be right there
By your side for you I?ll fight and
Catch a falling star
Wishin? I?m the only one for you and you for me
Then suddenly it all just disappeared
When you said goodbye
I thought it?d be easy to forget
I remember all the words you said
It?s hard to breathe now I?m alone
I?ve been thinking of you
Please come back and stay
?cause I want to be back in your arms
I?ll walk a thousand miles
Just to be right there
By your side for you I?ll fight and

Catch a falling star
Wishin? I?m the only one for you and you for me
Then suddenly it all just disappeared
When you said goodbye
