N*E*R*D

Hey
I'm a little teapot short and stout
Theres some shake-up'in around me know it's talk, and no doubt
I pop the lid the lid, its gon' be me I wanna know
Nothing'll happen if I don't open my mouth
I ain't a punk bitch, I don't give a fuck
I'm just bein' me and speakin' from the gutWell its a little bit of us, a whole lot of you,
and we just came here to see what it do[Chorus]
I'm right here, and I ain't goin' nowhere
You can turn tables and you can throw chairs
I'm right here, and I ain't goin' nowhere
You can knock doors and tear up, ya'have to air so
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want toI'm a little teapot blowin' off steam
You put me on the heat, I don't whistle I scream
Bang, bang, fuck a bed fuck a dream
This is rage blowin' up your machine
I'm a star bitch, I don't give a fuck
Don't be surprised when this bitch start blowin' upWell its a little bit of us, a whole lot of you,
and we just came here to see what it do[Chorus]And now I'm wakin' up layin' in the ambulance bed
with somethin' in my arm, I gotta get it off
A tattoo with a line that'll read your mind
And next is your mind, I gotta get it off
The shit they spray attack my lungs everyday
With a creeping decay, I gotta get it off
By attacking these things, I earned my wings
And my halo but first I gotta, get it off[Chorus x2]
