

Change (Knuckles Mix)

[Lisa Stansfield](#)

[Chorus]

If I could change the way I live my life today

I wouldn't change a single thing

'Cause if I changed my world into another place

I wouldn't see your smiling face Honey don't you worry, there's nothin' to worry for

'Cause if I didn't love you I wouldn't be here now

And if I didn't want you I would have turned around by now You've got to believe me babe, believe that I love
you so

'Cause if I didn't love you I would have turned around

And if I didn't want you, then I would want you out This love, this love has filled me up

Ooh my love I'll never give you up

'Cause I'll always want your love [Chorus] Believing is the answer, the answer to all your fears

When I first said I loved you, I went in for the kill

Now when I say I love you, I mean I always will This love, this love has filled me up

Ooh my love I'll never give you up

'Cause I'll always want your love [Chorus] This love, this love has filled me up

Ooh my love I'll never give you up

'Cause I'll always want your love [Chorus]
