Double Trouble

Giant

You hate the clothes we wear, the way we cut our hair
You say we're way too loud, we're running with the wrong crowd
Hey, you say we come on too strong, don't like our favorite song
But when we're with the boys, we're gonna make some noiseDon't like our talk, then you can walk
We're having fun, you're getting none
The cat's away, the mice will play
We'll be singing "Yeah, yeah, yeah"
We're Double TroubleDouble trouble with a capital
Double trouble, it's plain to see
Double trouble, well its double trouble when it's you and me
We're double troubleDon't hit us with your rules, we like to play it cool
Gonna live it up while we're young,
'cos baby we ain't hurting no one
My boys are allright, just having fun every night
Hey everybody, just come along
We'll be singing "Yeah, yeah, yeah"
We're Double TroubleDouble trouble with a capital t
Double trouble, it's plain to see
Double trouble, well its double trouble when it's you and me
We're double troubleDouble trouble with a capital t
Double trouble, dont you know what i mean
Double trouble, well its double trouble when it's you and me
We're double troubleDon't like our talk, then you can walk
We're having fun, you're getting none
The cat's away, the mice will play
We'll be singing "Yeah, yeah, yeah"
We're Double Trouble
Double trouble with a capital t
Double trouble, it's plain to see
Double trouble, well its double trouble when it's you and me
We're double troubleDouble trouble with a capital t
Double trouble, dont you know what i mean
Double trouble, well its double trouble when it's you and me
We're double trouble
