

# Cold Ain't for Me

## Oceans

Verse

It was a summer night  
Such a perfect day  
We were so laid back  
Just watching the waves  
It was our time  
There was no rain  
We would just love  
Then do it all againPre  
The sunset for the last time  
Oh I hate to say goodbye  
Cause we had such a good time  
Here's a toast to the good lifeChorus  
I can't stop thinking bout the sand in my feet  
I got a heartache cause cold ain't for me  
I wish my worries would wash into the sea  
Cause it's far too cold darling, cold ain't me me(Instrumental Part)Verse
