

Hole in My Pocket (Live at Wacken 2015)

Europe

Hear the cry of the battle-bow,
God is working his ways tonight,
Way back we're on this road
But it's a future I can live without
One spark lit up this place,
Two sparks baby, amazing grace
Break-neck speed, can't read the signs
You got me running clean outta time Let's not pretend,
We don't pretend
It's not the end,
it's gonna be better than this.
Hole in my Pocket,
Stone in my Shoe
Time keeps on winning
What can you do?
I just can't stop it,
Blowin' a fuse
Time keeps on winning
What can you do? Hey baby how did we get here?
Always thought we were already there
Spend my money to buy more time
Now forever's keeping me around
Hey listen, I'm not taking calls
Ain't going back to nothin' at all
Against all odds and evidence
I knew my sun was gonna rise again!
Let's all Pretend
We don't pretend,
It's not the end,
It never gets better than this Hole in my pocket
Stone in my shoe,
Time keeps on winning,
What can you do
I just can't stop it
I'm blowing a fuse
Time keeps on winning,
What can you do? Hole in my pocket
Stone in my shoe,
Time keeps on winning,

What can you do
I just can't stop it
I'm blowing a fuse
Time keeps on winning,
What can you do?
