If Only

Hanson

Every single time I see you I start to feel this way
Makes me wonder if I'm ever gonna feel this way again
There's a picture that's hanging in the back of my head
I see it over and over
I want to hold you and love you in my arms and then
I want to need you cause I need to be with you til the end
Then I hear myself reply you've got to hold it in
This time, tonight
If only I had the guts to feel this way
If only you'd look at me and want to stay
If only I'd take you in my arms and say
I won't go cause I need you
I sit here, waiting, wondering, hoping, that I'll make this right
Cause all I think about is your hands
Your face, and all these lonely nights
There's a feeling that's screaming in the back of my head
Saying over and over
I want to hole you and love you in my arms and then

I want to need you cause I need to be with you til the end
Then I hear myself reply she'll never let you in
This time, tonight
If only I have the guts to feel this way
If only you'd look at me and want to stay
If only I'd take you in my arms and say
I won't go cause I need you
Please don't go cause I need you now
I want to hear you say
It'll always be this way
We will be hand in hand for every night and every day
I want to scream and shout
Cause I'm losing any doubt
And all I care about is you and me and us and now
If only I had the guts to feel this way
If only you'd look at me and want to stay
If only I'd take you in my arms and say
I won't go cause I need you
Please don't go cause I need you now
