Don't Talk to Me

Doctor Butcher

People tryin' to tell me, they're all telling lies
I can see right through their evil eyes
They're always tryin' to make me somethin' that I'm not
Preach, preach, preach, will it ever stop?Don't talk to me, I don't want to talk about it
Don't talk to me, oh, leave me alone
Don't talk to me, I'm sick and sick and tired of your
Talk, talk, talk, talk, fuck youParents always fighting whenever I'm at home
I just lock myself inside my room
Put on something heavy, get me through the day
Sometimes I wish I could go awayDon't talk to me, I don't want to talk about it
Don't talk to me, leave me alone
Don't talk to me, I'm sick and sick and tired of your
Talk, talk, talk, talk, fuck youDon't you ever push me
Don't push me too far
I don't care who the hell you areDon't talk to me, I don't want to talk about it
Don't talk to me, leave me alone
Don't talk to me, I'm sick and sick and tired of your
Talk, talk, talk, talk
Talk, talk, talk, talk, fuck you
