

South Of Heaven

Quiet Riot

Theres a honky-tonk just south of Georgia
Little salvation just a-waitin for ya
I heard it said a long time ago, if you're lookin for your soul
Down a dirt road, just across the border Well, the harder it comes, you know the easier it goes
If you can make your way a little further down that road, yeah
When you're caught up in between or just dyin to be set free South of heaven, always endin up
No matter how I try, Im just south of heaven
Dont wanna think, you can have it all
Cause all I need is just south of heaven Theres a little girl, they call the sweet thing
Been some time, Id like to tell you one thing
You have nothin left to lose, so by the time that you come to
Youll be one more callin her name Well, the harder it comes, you know the easier it goes
If you can make your way a little further down that road, yeah
When you're caught up in between or just dyin to be set free South of heaven, always endin up
No matter how I try, Im just south of heaven
Dont wanna think, you can have it all
Cause all I need is just south of heaven Theres a honky-tonk just south of Georgia
Little salvation just a-waitin for ya
I heard it said a long time ago, if you're lookin for your soul
Down a dirt road, just across the border Well, the harder it comes, you know the easier it goes
If you can make your way a little further down that road, yeah
When you're caught up in between or just dyin to be set free South of heaven, always endin up
No matter how I try, Im just south of heaven
Dont wanna think, you can have it all
Cause all I need is just south of heaven And when I die, dont cry for me
Cause Ill be just south of heaven
South of heaven, all I want, all I need
All I want is south of heaven
