

# From Safety to Where...?

## Joy Division

No, I don't know just why  
No, I don't know just why  
Which way to turn  
I got this ticket to use  
Through childlike ways rebellion and crime  
To reach this point and retreat back again  
The broken hearts, all the wheels that have turned  
The memory's scarred and the vision is blurred  
No, I don't know which way  
Don't know which way to turn  
The best possible use  
Just passing through, 'till we reach the next stage  
But just to where, well it's all been arranged  
Just passing through but the break must be made  
Should we move on or stay safely away?  
Through childlike ways rebellion and crime  
To reach this point and retreat back again  
The broken hearts, all the wheels that have turned  
The memory's scarred and the vision is blurred  
Just passing through, 'till we reach the next stage  
But just to where, well, it's all been arranged  
Just passing through but the break must be made  
Should we move on or stay safely away?
