Go Wild

Carlene Carter

Well, it was Sunday morning, past Saturday night
As I was sneakin' out the door
I slipped on my best Sunday dress
I was ready for a little bit moreIt's shiny red like the sheets on my bed
It might turn a head or two
It's no mystery the man's history
And I'm ready for something newWell, I've been looking all around this whole damn town
And I've got my eyes on you
And if you're lookin' for adventure
And a little romanceBaby, baby let me lay it out for you
Oh, I know you know what I'm talkin' about
'Cause you're grinnin' like a crocodile
Think about it sugar, honey let your mind go wildThink about it sugar, honey let your mind go wild
Eye to eye, face to face, dancin' around all over the place
Oh, I know you know what I'm talkin' about
'Cause you ain't no baby child
Hey, think about it sugar, honey let your mind go wildCome a little closer, they're playin' our song
We're a couple of shootin' stars
Take a trip around the world a time or two
Take a rocket ship to MarsWe don't have to be angels to spread our wings
Defy the laws of gravity
The atmosphere is so sweet up here
Oh darling, we were meant to beWell, I've been looking all around this whole damn town
And I've got my eyes on you
And if you're lookin' for adventure
And a little romanceBaby, baby let me lay it out for you
Oh, I know you know what I'm talkin' about
'Cause you're grinnin' like a crocodile
Think about it sugar, honey let your mind go wildThink about it sugar, honey let your mind go wild
Eye to eye, face to face, dancin' around all over the place
Oh, I know you know what I'm talkin' about
'Cause you ain't no baby child
Hey, think about it sugar, honey let your mind go wild
