Give It To Me Baby

Rick James

When I came home last night
You wouldn't make love to me
You went fast asleep
You wouldn't even talk to meYou say I'm so crazy
Coming home intoxicated
I say just want to love you, I just wanna love you, baby
Guess that's why I'm so elated, come on, girlGive it to me, baby (Give it to me, baby)
Give it to me, baby (Give it to me, baby)
I betcha I'll make you holler you've had enough
Give it to me, baby (Give it to me, baby)
Just give it to me, baby
Give it to me, baby (Give it to me, baby)
I betcha I'll make you holler you've had enoughGive it to me
Give me that stuff, that funk, that sweet, that funky stuff {Say what}
Give it to me
Give me that stuff, that funk, that sweet, that funky stuff {Say what}Give it to me, give it to me
Give it to me, give it to me
Give me your stuff, that funk, that sweet, that funky stuff (Yo-ho, ow)Give it to me, babyWhen I was high as the sky
Out all night just dancin'
You say, 'Let's go home' {Come on, Rick, I'm tired, let's go home}
That's the time I start romancin'You say how can I love you, how can I love you, baby
When your body keeps on movin'
I say wait till I squeeze you, oh
Maybe then you'll start to groovin', come on, girlGive it to me, baby (Give it to me, baby)
Give it to me, baby (Give it to me, baby)
I betcha I'll make you holler you've had enough
Give it to me, baby (Give it to me, baby)
Just give it to me, baby
Give it to me, baby (Give it to me, baby)
I betcha I'll make you holler you've had enoughGive it to me
Give me that stuff, that funk, that sweet, that funky stuff {Say what}
Give it to me
Give me that stuff, that funk, that sweet, that funky stuff {Say what}Give it to me, give it to me
Give it to me, give it to me
Give me your stuff, that funk, that sweet, that funky stuff (Yo-ho, ow)
Hey, girlGive it to me what you say
Give it to me what you say
{Give it to me} What you say

{Give it to me}, what you say [Hey, girl]
Give it to me what you say
Give it to me what you say
{Give it to me, give it to me} [Hey, girl]Give it to me what you say
Give it to me what you say
Give it to me, give it to me
Give it to me what you say
Give it to me right away
Give it to me, give it to meGive it to me what you say
