You And I

Medina

Nothing left for me to say

There's no more wicked games to play

It's time for me to walk away

I am alright! feel like I'm on a high

I am alrightI feel like I'm on a high

A new beginning that is my life

I'm turning to the rhythm of the night

I am alrightThe music is making me growing

The only thing that keeps me awake is me knowing

There's no one here to break me or bring me down

And no one here to hurt me or fool aroundI have no more time for you to hurt my feelings

Done enough to prove I'm all that I believe in

We are at the end, no more stupid lies

I'm better off without you here by my sideSo now there is no longer you and I, you and I

You and I, you and I

You and I, you and I

You and IThere is no longer you and I, you and I

You and I, you and I

You and I, you and I

You and IDon't care what other people say

I know you fool around all day

Now it doesn't hurt me anyway

I am alrightAnd when the day turns into night

I'm in the club forgetting you and I

And when I think of how you treated me

You proved me right The music is making me growing

The only thing that keeps me awake is me knowing

There's no one here to break me or bring me down

And no one here to hurt me or fool around have no more time for you to hurt my feelings

Done enough to prove I'm all that I believe in

We are at the end, no more stupid lies

I'm better off without you here by my sideSo now there is no longer you and I, you and I

You and I, you and I

You and I, you and I

You and IThere is no longer you and I, you and I

You and I, you and I

You and I, you and I

You and ISo now there is no longer you and I, you and I

You and I, you and I

You and I, you and I

You and IThere is no longer you and I, you and I

You and I, you and I

You and I, you and I

You and I
