I Just Want You

Ozzy Osbourne

There are no unlockable doors, there are no unwindable wars
There are no unrightable wrongs or unsingable songs
There are no unbeatable odds, there are no believable Gods
There are no unnameable names, shall I say it again, yeah?
There are no impossible dreams, there are no invisible seams
Each night when the day is through
I don't ask much
I just want you
I just want you
There are no uncriminals crimes there are no unrhymable rhymes
There are no identical twins or forgivable sins
There are no incurable ills there are no unkillable thrills
One thing and you know it's true
I don't ask much
I just want you
I just want you
I just want you
I just want you
I'm sick and tired of begin' sick and tired
I used to go to bed so high and wired, yeah
Yeah, yeah, yeah
I think I'll buy myself some plastic water
I guess I should have married Lennon's daughter, yeah
Yeah, yeah, yeah
There are no unachievable goals there are no unsaveable souls
No legitimate Kings or Queens do you know what I mean, yeah
There are no indisputable truths and there ain't no fountain of youth
Each night when the day is through
I don't ask much
I just want you
I just want you
I just want you
I just want you
I just want you
I just want you
Yeah, yeah, yeah
I just want you
I just want you
Hey, yeah

I just want you
Yeah, yeah, yeah
I just want you, hey
I just want you
I just want you
I just want you
