

# Ain't No Right Way

Toby Keith

Seven in the mornin'  
She'd have to make a choice  
Precious baby girl  
Or a bouncin' baby boy  
She could either keep it  
Or give that child away  
So she quit school that mornin'  
And became a Mom that day  
Ain't no right way  
To do the wrong thing  
You can justify  
But it's still black and white  
Paint it any shade  
But it won't change  
Ain't no right way  
To do the wrong thing  
News came on my TV  
A mother cried and said  
That her son was fightin' for his life  
'Cause her husband lost his head  
He might have been a problem child  
But if that boy were mine  
I wouldn't beat him half to death  
Tryin' to make him walk the line  
Ain't no right way

To do the wrong thing  
You can justify  
But it's still black and white  
Paint it any shade  
But it won't change  
Ain't no right way  
To do the wrong thing  
Now empowered politicians  
Tryin' to pass a law  
They won't let our children pray  
For the better of us all  
An if God blessed America  
How could someone vote

To take prayer from our classrooms  
Right when we need prayer the most  
Ain't no right way  
To do the wrong thing  
You can justify  
It's still black and white  
Paint it any shade  
But it won't change  
Ain't no right way  
To do the wrong thing  
To do the wrong thing
