

Wild Is the Wind

Joanne Shaw Taylor

Love me, love me, love me, say you do
Let me fly away with you
For my love is like the wind, and wild is the wind
Wild is the wind
Give me more than one caress, satisfy this hungriness
Let the wind blow through your heart
For wild is the wind, wild is the wind You touch me
I hear the sound of mandolins
You kiss me
With your kiss my life begins
You're spring to me, all things to me
Don't your know, you're life itself!
Like the leaf clings to the tree
Oh, my darling, cling to me
For we're like creatures of the wind, and wild is the wind
Wild is the wind
Like the leaf clings to the tree
Oh, my darling, cling to me
For we're like creatures of the wind, and wild is the wind
Wild is the wind
