Ring My Bell

INOJ

Ooh, ooh, yeah
Ring my bell
Ooh, ooh, yeah
Ring my bellI'm back, you're home
The days you really miss me
I guess
You did by the look in your eyesNow lay back, and relax
Let your body put away the distance
Then you and me can rock-a-byeYou can ring my bell
Ring my bell
You can ring my bell
Ring my bellNow the night is young
And full of possibilities
Well come on
And let yourself get freeWell the love
(The love)
For you
(For you)
So long, I've been saving
But tonight, it's made for me and youYou can ring my bell
Ring my bell
You can ring my bell
Ring my bellYou can ring my bell
You can ring my bell
Ding-a-ling, ding-a
Ah, ring itYou can ring my bell, anytime, any place
Ring it, ring it, ring it, ring itYou can ring my bell
You can ring my bell
Ding-a-ling, ding-a
Ah, ring itYou can ring my bell, anytime, any place
Ring it, ring it, ring it, ring itYou can ring my bell
Ring my bell
You can ring my bell
Ring my bellYou can ring my bell
Ring my bell
You can ring my bell
Ring my bellYou can ring my
Anytime baby
You can ring my

Anytime sugarYou can ring my
In the daytime
You can ring my
In the night time
