

Ring My Bell

INOJ

Ooh, ooh, yeah
Ring my bell
Ooh, ooh, yeah
Ring my bell I'm back, you're home
The days you really miss me
I guess
You did by the look in your eyes Now lay back, and relax
Let your body put away the distance
Then you and me can rock-a-bye You can ring my bell
Ring my bell
You can ring my bell
Ring my bell Now the night is young
And full of possibilities
Well come on
And let yourself get free Well the love
(The love)
For you
(For you)
So long, I've been saving
But tonight, it's made for me and you You can ring my bell
Ring my bell
You can ring my bell
Ring my bell You can ring my bell
You can ring my bell
Ding-a-ling, ding-a
Ah, ring it You can ring my bell, anytime, any place
Ring it, ring it, ring it, ring it You can ring my bell
You can ring my bell
Ding-a-ling, ding-a
Ah, ring it You can ring my bell, anytime, any place
Ring it, ring it, ring it, ring it You can ring my bell
Ring my bell
You can ring my bell
Ring my bell You can ring my bell
Ring my bell
You can ring my bell
Ring my bell You can ring my
Anytime baby
You can ring my

Anytime sugar You can ring my
In the daytime
You can ring my
In the night time
