

How Do I Live (Rh Factor Radio Edit)

[Leann Rimes](#)

How do I get through one night without you
If I had to live without you
What kinda life would that be
Oh I need you in my arms, need you to hold
You are my world, my heart, my soul If you ever leave
Baby you would take away
Everything good in my life
And tell me now How do I live without you?
I want to know
How do I breathe without you?
If you ever go
How do I ever, ever survive
How do I, how do I, oh how do I live Without you
There would be no sun in my sky
There would be no love in my life
There'd be no world left for me And I, baby, I don't know what I would do
I'd be lost if I lost you If you ever leave
Baby you would take away
Everything real in my life
And tell me now How do I live without you
I want to know
How do I breathe without you
If you ever go
How do I ever, ever survive
How do I, how do I, oh how do I live Please tell me baby how do I go on If you ever leave
Baby you would take away everything
Need you with me
Baby don't you know that you are
Everything good in my life And tell me now
How do I live without you
I want to know
How do I breathe without you
If you ever go
How do I ever, ever survive
How do I, how do I, oh how do I live How do I live without you?
How do I live without you, baby?
How do I live without you?
