

Around the World (Around the World) Official

US5

Around the world
Around the world
Around the world
Around the world
Around the world
Around the world
Around the world
Around the world
Everyday we rocked a different nation,
We did the best,
They called it a sensation,
We engaged the girls ,
Around the world.Around the world
Around the world
So many times we've crossed the deepest oceans
A super fan, conquered their emotions
Man we showed them girls
Around the world (Yeah)
We've been around the world a million times,
We've seen a lot of faces, flashes and lights ,
Under the purple sky, Paris to Norderney,
We've been around the world.
US5 goes around the world
Around the world
Around the world
Another night they've set their wheels in motion,
They said our show is like some big explosion,
They have never heard around the world.
(Oh no yeah)
We gave our best and shared some special moments,
The many fans to feel it gave us so much joy,
We've had them around the world.
We've been around the world a million times,
We've seen a lot of faces, flashes and lights ,
Under the purple sky, Paris to Norderney,
We've been around the world.
US5 goes around the world
London, New York, Milan,
It goes around and round
Tokyo, Berlin, Madrid
US5 goes around the world
US5 goes around the world
Around the world
