

# To Each His Own (Live Version)

## America

To each his own it's plain to see  
To walk alone you have to be  
It's all for you and all for me, you'll see I'm gonna miss you, yes, I will  
No matter who you are, I'll love you still  
For my life is my conscience, the seeds I sow  
I just wanted to let you know Familiar faces that I've seen  
Turnin' red and turnin' green  
They just got caught with writing on their sleeve, I guess I'll leave I'm gonna miss you, yes, I will  
No matter who you are, I'll love you still  
Will you cancel my papers and lock the door  
Cause I ain't gonna be 'round no more Will I make it through the summer  
Breaking ties with the old and new  
Losing one just gains another  
There is nothing I can do I'm gonna miss you, yes, I will  
No matter who you are I'll love you still  
For my life is my conscience, the seeds I sow  
And I just wanted to let you know I'm gonna miss you, yes, I will  
No matter who you are, I'll love you still  
Will you cancel my papers and lock the door  
Cause I ain't gonna be 'round no more I'm gonna miss you, yes, I will  
No matter who you are I'll love you still  
For my life is my conscience, the seeds I sow  
And I just wanted to let you know I'm gonna miss you
