

Walking Off a Cliff Again

The Mint Chicks

The damage is done
You've had all your fun
The party's begun
The enemy has won Walking off a cliff again You've used all your tricks
Your lies don't stick
You don't want to admit
You're done Walking off a cliff again
Keep your hat on tight
Cause you don't want to die
And if you do you don't
Want to die out of style
You're not worth my while
