

Quiet (Live In Atlanta, 1993)

Smashing Pumpkins

Quiet
I am sleeping
In here
We need a little hope For years
I've been sleeping
Helpless
Couldn't tell a soul Be ashamed
Mess you've made
My eyes never forget, you see
Behind me Silent
Metal mercies
Castrate
Boys to the bone Jesus
Are you listening?
Up there
To anyone at all We are the fossils
The relics of our time
We mutilate the meanings
So they're easy to deny Be ashamed
Mess you've made
My eyes never forget, you see
Behind me Quiet
I am sleeping
Quiet
I am sleeping
Quiet
I don't trust you
I can't hear you Be ashamed
Mess you've made
My eyes never forget, you see
Behind me Behind me
The grace of falling snow
Cover up everything you know
Come save me from the awful sound
Of nothing
