

# Salty Dog

## Ramblin' Jack Elliott

Salty dog, salty dog  
I don't wanna be your Annie doll  
Honey let me be your salty dog  
Candy man Two old maids sittin' in the sand  
One were a she  
The other were a man  
Salty dog, candy man Worst day I ever had in my life  
My best friend caught him kissin' his wife  
Salty dog, candy man Salty dog, salty dog  
I don't wanna be your Annie doll  
Honey let me be your salty dog  
Candy man
