Girlfriend

NAO

Losing it to waterfalls
Rip and tidy years of gold
Buried under rivers all the doubt I didn't notice
'Cause maybe we learned for the magical
The carpet that belonged to those
The beautiful and mystical illusion not the brokenFeels like pretty doesn't know me
Only shows up when I'm lonely Through the tears of imperfection
The mirror knows
Could you like someone that's hoping that
They crawl out of their own skin for a time?If I was your girlfriend, could you love for two?
If I was your girlfriend, could you pull me through?
To make us fly
To make us flyDon't be scared to shed a little broken
Oh baby, yeah
Your masculine's an offer to be opened
Sev-veh-de-d'way-doo-d'way, you know
When I'm your lady
You'll know how beautiful and mystical you areIf I was your girlfriend, could you love for two?
If I was your girlfriend, could you pull me through?
To make us fly
To make us flyIf I was your girlfriend, could you love for two?
If I was your girlfriend, could you pull me through?
To make us fly (to make us fly)
To make us fly (to make us fly)
