

# Son of Fire

## Vader

Burning dreams  
A fever in my soul  
Destructive force  
And world incinerated  
Son of Fire  
Grand Lord of all demonic beings  
Son of Fire  
Burst the flame inside me!!!  
Ashes to ashes  
And dust to the dust  
Humans executed  
Melted bodies all around  
[lead: Peter]  
Son of Fire (...)  
Flames rise around  
Burn my flesh  
Lick my soul and touch my mind
