

Smoke & Wine

Hank Williams III

Advisory - the following lyrics contain explicit language:

Well, I have got no money but I am doin' fine.
I'm just a hillbilly hell-raiser; I'm tryin' to kill my time.
An' I'm lookin' for that gal, about five foot ten.
An' I'm gonna take her down that road of livin' a life of sin. Because I'm drinkin', druggin': I'm havin' lots of
fun.
I always carry round my loaded shotgun.
If I think I'm gonna have a bad time,
I got a little bit of smoke an' a whole lotta wine.-Instrumental break-Well, I once had this gal: I thought she'd be
my bride.
But then she had to leave my ass for that other guy. An' now I'm drinkin', druggin': I'm havin' lots of fun.
I always carry round my loaded shotgun.
If I think I'm gonna have a bad time,
I got a little bit of smoke an' a whole lotta wine.-Instrumental break-Well, I don't really care if you hate me, you
see,
'Cause I'm just a country boy from the state of Tennessee.
A little bit crazy, on the loudish side,
'Cause I like drink my whiskey an' I like to get high. An' now I'm drinkin', druggin': I'm havin' lots of fun.
I always carry round my loaded shotgun.
If I think I'm gonna have a bad time,
I got a little bit of smoke an' a whole lotta wine.
