

# We Found Love (remix) [feat. Flo Rida]

## Rihanna

You know I got love for you  
See what happened was we in Bahamas  
I remember it was the OX summer, oh  
So pretty I ..girl nice to meet you what's the honor  
Yeah she tap me told me she Rihanna  
Y'all know mine mine .. wanna touch her  
Gotta love her  
The chain mam let me ..  
Let's truth let me tell you what the color was

Yellow diamonds in the light  
I was standing side by side  
As your shadow crosses mine  
What it takes to come alive

It's the way I'm feeling I just can't deny  
But I've gotta let it go

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

Found love I think we found us  
Wanna... the wind all around us  
I was hoping that the ..  
And everything... till I time up  
I can do... about the pound of  
...even crown you... she was hot hot hot  
Damn with the... know she... magnum  
Started like get a DJ a magnum  
I start like... strong on  
I'm a quick battle... so I chick better  
It's a party rockin' like a Mick Jagger  
Got... Barbados... in the light shine in...

Shine a light through an open door  
Love and life I will divide  
Turn away cause I need you more

Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny  
But I've gotta let it go

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

She will tell you what the color was  
Rihanna... what the color was

Yellow diamonds in the light  
I was standing side by side  
As your shadow crosses mine

You know I got love, you know I got love  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

Found love I think we found us  
Wanna... the wind all around us  
I was hoping that the...  
And everything... till I time up  
I can do... about the pound of  
...even crown you... she was hot hot hot  
Damn with the... know she... magnum  
Started like get a DJ a magnum  
I start like... strong on  
I'm a quick battle... so I chick better  
It's a party rockin' like a Mick Jagger  
Got... Barbados... in the light shine in...

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place
