Shakin'

Sawyer Brown

She has got the swing, alike in my backyard
She has got the move but she don't go too far
Shock and shiver, quake and quiver
She'll deliver when you're with her, yeah, uh huhSpinning like a top, rolling with a rock
Start her up and she don't stop
She's shakin', she's shakin'She's shakin', shakin in her shoes
And breakin', breakin' hearts to it
Makin' all the news tonightAnd she's wakin', wakin' out the town
And I'm achin', achin' up and down
'Cause she's shakin'
With her shoes tonightWhen she's on the street
Heads are turnin' 'round
The girls don't ever speak
But the boys all gather 'roundWhen she's hoppin'
She keeps poppin'
Can't quit rockin'
Ain't no stoppin' now, uh huhUp and down the block, keepin' hearts a pop
Makes us crazy round the clock
She's shakin', she's shakin'She's shakin' shakin' in her shoes
And breakin', breakin' hearts to it
And makin' out the news tonightShe's wakin', wakin' out the town
And I'm achin', achin' up and down
'Cause she's shakin', shakin'
With her shoes tonightOh, up and down the block
Keepin' hearts a pop
Makes us crazy round the clock
She's shakin', she's shakin'She's shakin', shakin' in her shoes
And breakin', breakin' hearts to it
And makin' all the news tonightShe's wakin', wakin' up the town
And I'm achin', achin' up and down
'Cause she's shakin', shakin'
In her shoes tonightOoh she's shakin', oh she's shakin'
Ooh she's shakin', shakin' in her shoes
Ooh she's shakin', ooh she's shakin'
