SLEEPING CHILD

08 MLTR

The Milky Way upon the heavens
Is twinkling just for you
And Mr. Moon, he came by
To say goodnight to youI'll sing for you, I'll sing for mother
We're praying for the world
And for the people everywhere
Gonna show them all we careOh, my sleeping child the world's so wild
But you've built your own paradise
That's one reason why
I'll cover you, sleeping childIf all the people around the world
They had a mind like yours
We'd have no fighting and no wars
There would be lasting peace on EarthIf all the kings and all the leaders
Could see you here this way
They would hold the Earth in their arms
They would learn to watch you playOh, my sleeping child the world's so wild
But you've built your own paradise
That's one reason why
I'll cover you, sleeping childI'm gonna cover my sleeping child
Keep you away from the world so wild
Keep you away from the world
Away from the world so wildOh, my sleeping child the world's so wild
But you've built your own paradise
That's one reason why
I'll cover you, sleeping childOh, my sleeping child the world's so wild
But you've built your own paradise
That's one reason why
I'll cover you, sleeping child
