

Like a Champion

Selena Gomez

Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam

Walk like a champion, talk like a champion

Ram pa pa pam pam Tonight become alive

Stand up 'cause you got the pride

Dancing and the sweat don't dry

Once shot so baby hit it right

No doubt 'cause we young and free

Walk like you run the city, like your name in the sky

Live it up, 'cause baby it's your time It's in the way you hold yourself

You gotta know you're something else

It's sure that you've never felt so sexy sexy sexy Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam

Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam

Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam

Walk like a champion, talk like a champion

Ram pa pa pam pam We got nothing to lose, we got nothing to prove

Shine bright like diamonds in the sky

Live it up 'cause baby it's your time It's in the way you hold yourself

You gotta know you're something else

It's sure that you've never felt so sexy sexy sexy Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam

Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam

Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam

Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam Walk like a champion, talk like a champion Stand up let 'em know that
you shine bright

Throw down let 'em know that you got fight

Walk like a champion, walk like a champion Stand up let 'em know that you shine bright

Throw down let 'em know that you got fight

It's sure that you've never felt so sexy sexy sexy Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam

Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam

Walk like a champion, talk like a champion

Ram pa pa pam pam, ram pa pa pam pam
Walk like a champion, talk like a champion
Ram pa pa pam pam, ram pa pa pam pam Walk like a champion, talk like a champion
