

# Whatever It Is (Acoustic Version)

## Zac Brown Band

She got eyes that cut you like a  
knife and  
Lips that taste like sweet red wine  
And pretty legs go to heaven every time  
She got a gentle way that puts me at ease  
When she walks in the room I can hardly breathe  
Got a devastatin' smile knock a grown man to his knees  
She got whatever it is  
It blows me away  
She's everything I wanted to say to a woman  
but I couldn't find the words to say  
She got whatever it is  
I don't know what to do  
And every time I try and tell her how I feel  
It comes out "I love you"  
You got whatever it is  
You know I've never been the type that would ever wanna stay  
Bring 'em home at night and they're gone the  
next day  
But that all changed when she walked into my life  
And people askin' why it is  
I tell 'em I don't know  
Just somethin' about the woman makes my heart go haywire  
And she's gonna be my wife  
She got whatever it is  
It blows me away  
She's everything I wanted to say to a woman  
but I couldn't find the words to say  
She got whatever it is  
I don't know what to do  
'Cuz every time I try and tell her how I feel  
It comes out "I love you"  
You got whatever it is  
Now when she loves me  
Girl that's how I feel  
'Cuz when she loves me I'm on top of the world  
'Cuz when she loves me I can live forever  
And when she loves me I am untouchable  
She got whatever it is  
It blows me away  
She's everything I wanted to say to a woman  
but I couldn't find the words to say  
She got whatever it is

I don't know what to do  
'Cuz every time I try and tell her how I feel  
It comes out "I love you, I do"  
You got whatever it is  
Oh, you got whatever it is
