Out Of Time

Matthew West

So, you're hungry for a taste
Of the other side
Where the grass is thick and green
But your feet are on familiar ground
Frozen and afraid of what you might lack
Oh, if that's all that's holding you back
Come on, step out of time, fall out of line
Leave a mark they can't erase
Find your heart and lose your mind
Watch the journey unwind and let it be a new day out of time
So how's your story gonna read
When they call your name
And it's all there in black and white?
Will you follow or will you lead?
Will you quietly disappear?
Or is this whole world gonna know
That you were here?
Come on, step out of time, fall out of line
Leave a mark they can't erase
Find your heart and lose your mind
Watch the journey unwind and let it be a new day, out of time
'Coz it's time to be free
It's time just to live
What you believe, yeah
What you gonna do with the life you're living?
What you gonna make of the time you're given?
When you are free, you have been forgiven
Now come on and step out of time
Because once you go you're gone forever
And don't you know it's now or never
But I can feel a change in weather
Now come on and step out of time
Come on, step out of time, fall out of line
Leave a mark they can't erase
Find your heart and lose your mind
Watch the journey unwind and let it be a new day, out of time
Come on, step out of time, fall out of line
Leave a mark they can't erase
