

Life's Too Short

Lightning Seeds

Ive got the feeling
Youve got the feeling
Ive got the feeling
Youve got the feeling Oh love, dont go away
I wish youd stay
Can I change your mind? Im the king of dreaming
In a wishful way
When Im wide awake
But there comes a time And I see that what Im needing
Is a feeling to believe in Maybe its true
And Im just a fool
Whos making us blue
When lifes too shore? Oh, love is kind of tempting fate
Its an unknown state
In a place I cant find And now I know
Ive kind of lost my way
But I keep the faith
With an open mind And now I know Im kind of lost
But I keep the faith Ive got the feeling
Youve got the feeling
Oh, Ive got the feeling
Youve got that feeling too
Lifes too short
Lifes too short
