

# Los Angeloser

## Meat Loaf

Yo, baby  
I wrote you this poem  
I'd like to dedicate it to you I'm just a white boy  
I play the guitar  
I put my pants on  
I drive a shit car Up into the valley  
To see my girlfriend  
She's got a big couch  
She's got a Mercedes Benz Sing Hallelujah  
My glass is half full  
She pours me champagne  
She drinks a Red Bull And she says, "Darling  
One thing you got to understand  
As long as I am satisfied  
Well, you will always be my man" You know that I, I'll give you all the love that I have  
I'll empty all my pockets and I'll give you what I can  
You know that I, I'll give you all the love that I have  
I'll give you all the love that I have Los Angeloser  
Los Angeloser  
Los Angeloser  
And I'll give you all the love that I can Oh yeah, we got the sunshine  
We got the good friends  
We do-si-do and all the time  
Out in the wilderness She always looks fine  
She's gonna be the one to make it  
And I'll be two steps behind You know that I, I'll give you all the love that I have  
I'll empty all my pockets and I give you what I can  
You know that I, I'll give you all the love that I have  
I'll give you all the love that I have Los Angeloser  
Los Angeloser  
Los Angeloser  
And I'm gonna give you all the love that I can Now check this out  
I say this with the deepest appreciation  
For all you ladies out there  
Especially the ones who've shown a little love  
For someone such as myself You believed in me  
You loved me, how so priny towards me  
If it wasn't for you  
There would be no me You know that I, I'll give you all the love that I have

(Los Angeloser)  
I'll empty all my pockets and I give you what I can  
(Los Angeloser)  
You know that I, I'll give you all the love that I have  
(Los Angeloser)  
I'll give you all the love that I have  
(Los Angeloser) You know that I, I'll give you all the love that I have  
(Los Angeloser)  
I'll empty all my pockets and I'll give you what I can  
(Los Angeloser)  
You know that I, I'll give you all the love that I have  
(Los Angeloser)  
I'll give you all the love that I have  
(Los Angeloser) Oh, I, I'll give you all the love that I have  
(Los Angeloser)  
I'll empty all my pockets and I'll give you what I can  
(Los Angeloser)  
You know that I, I'll give you all the love that I have  
(Los Angeloser)  
I'll give you all the love that I have  
(Los Angeloser) Oh, I'll give you all the love that I have  
Oh, I'll give you all the love that I have  
If it wasn't for you there would be no me
