

# You Make Me Happy

Lindsey Ray

It's the heart on your sleeve  
never making me wonder,  
It's the bone that we tie up  
over and under,  
you're the sun, and the rain and my grass is always green.

With a kiss on my cheek always letting me know  
i'm the birds and the bees  
and i'm the apple in your eye  
I know that you know I know your all I need.

And just when I thought it couldn't get any better  
there you go and do it all again.  
Hope this feeling never ends.

Cuz, you-o-o-o-o-o-o-o-o -o-o-o-o-o-o-o-o  
you make me happy  
you-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o  
you make me happy

It's the sound of your voice at the end of the phone line  
A tickle in my toes, just to know that you're all mine  
like an ice cream sundae with a cherry on the top.  
It's the look in your eyes when i'm wearing your t-shirt,  
you're cute little smile after a long day of hard work.  
and I know that you know that I can't give you up.

And just when I thought it couldn't get any better  
there you go and do it all again.  
hope that this feeling never ends.

Cuz, you-o-o-o-o-o-o-o-o -o-o-o-o-o-o-o-o  
you make me happy  
you-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o  
you make me happy

Just when I thought it couldn't get any better  
there you go, and do it all again.  
hope that this feeling never ends.

Cuz, you-o-o-o-o-o-o-o-o -o-o-o-o-o-o-o-o

you make me happy

you-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o

you make me happy

(repeat)
