

# Chase Me

## Con Funk Shun

How can you just sit and be cool  
The musics growin and its makin me move  
Come on and get up (Well, hey, hey)  
Come on and get upHow can you just stay in your seat  
The musics callin, so get up on your feet  
Come on get up (Oh, whoa, well)  
Come on and get upChase me  
Chase me, honey, alright  
You can chase me  
Chase me through the nightCome on and chase me  
Chase me, honey, alright  
You can chase me  
Chase me through the nightCant funk it tomorrow  
So funk it tonight  
If you gonna do it, yeah  
You can do it rightIm checkin my meter  
And theres nothing sweeter  
So put on your dancin, joggin shoes  
I assure you, you just cant lose, you got toChase me  
Chase me, honey, alright  
You can chase me  
Chase me through the nightChase me  
Chase me, honey, alright  
You can chase me  
Chase me through the nightChase me  
Chase me, honey, alright  
You can chase me  
Chase me through the nightGroovin with people  
Theyre treatin me right  
Shakin the ceiling, yeah  
On a dancin nightLook at my mama  
Shes been out all night  
Chasin my daddy, yeah  
In the sweet moonlight, you got toChase me
