

# Stillborn

## Black Label Society

Blinded, erase what was  
Stillborn, I have becomeThe feelings I once felt are now dead and gone  
I've waited here for you for so very longSo empty, just a shell of a man  
Stillborn, this I understandThe feelings I once felt are now dead and gone  
I've waited here for you for so very longGirl, I've waited here for you so long  
Girl, I've waited here for you, for youThe feelings I once felt are now dead and gone  
I've waited here for you for so very longGirl, I've waited here for you so long  
Girl, I've waited here for you so long  
Girl, I've waited here for you so long  
I waited here for you, for you
